

Pre-Conference Workshop November 10, 2015 – 13:00 to 17:00

PRICE RISK MANAGEMENT: AN IMPORTANT KEY TO SUCCESS

INTL · FCStone®

INTL FCStone Financial Inc. – FCM Division

Do you know where grain and oilseed prices are headed?

No one knows for sure, but many know how to manage that uncertainty. Attend this introductory level interactive session to receive a comprehensive overview of the risks and rewards associated with various price risk management products and strategies and a fun competitive test of your market knowledge.

Agenda

13:00	Importance of Price Risk Management
13:30	Overview and refresher of futures and options markets via interactive game "Commodity Challenge"
14:30	Comparison of cash, futures and option strategies including cash market structures
15:30	Afternoon refreshments and networking break
16:00	Introduction to OTC markets, swap contracts and structures to manage buy-side price risk
17:00	Closing remarks and end of workshop
17:30	Global Grain Geneva Champagne Welcome Reception

Richard A. Jelinek

Vice President
Global Education
INTL FCStone Financial, Inc.

Richard Jelinek is Vice President Global Education at INTL FCStone Financial.

His primary responsibility is the development of price risk management programs and materials on Agricultural Futures, Options and OTC Swaps.

Richard's professional tenure includes 34 years at the CBOT and CME Group, where he focused on price risk management training in Europe, Asia, Middle East, Latin America and the United States. Additionally, he is an Adjunct Professor at Moraine Valley College in the English as a Second Language department.

Mr. Jelinek's Bachelor of Science degree in Agricultural Economics from Southern Illinois University and Master of Science degree in Agricultural Economics from the University of Georgia were preceded by a four-year tour in the United States Navy.

Matt Ammermann

Commodity Risk Manager – Vice
President CIS/Black Sea Region
INTL FCStone Financial, Inc.

Matt Ammermann is a commodity risk management consultant in the Black Sea/CIS region for INTLFCStone. Working at the forefront of risk management in one of the fastest and largest growing agricultural markets in the world, his team provides risk management solutions to help improve and control margins and the impact of commodity prices to a business's operation. INTL FCStone also provides in-depth market intelligence, which provides tremendous value in the volatile commodity markets. Growing up on a farm and active in its operations, Matt understands the markets are changing; companies that actively manage their price risk will be in a better position to grow and adapt to these market changes.
